Earn an International Degree through SPJIMR’s Global Management Programme
Established in 1981, S.P. Jain Institute of Management & Research (SPJIMR) - India’s top business school aimed to “Influence Practice and Promote Value-based Growth” that is inclusive and sustainable. It is a constituent of the Bharatiya Vidya Bhavan, India’s premier non-profit institution.

SPJIMR has received AACSB accreditation and has been ranked no.2 in India and no.44 in world by Financial Times 2022 Global Rankings.

WHAT IS GMP

SPJIMR’s Global Management Programme (GMP) is designed to give students a comprehensive understanding of global business operations, including the cultural, economic, and political factors that impact international business and management.

GMP provides exposure to General Management courses, with a focus on electives that prepare participants for the specializations at partner schools.
